

The image depicts a surreal architectural environment. A person wearing a long white dress stands on a small, circular, white platform. Above them is a large, circular opening in a blue, curved structure, revealing a bright blue sky with wispy clouds. The overall scene is bathed in a soft, blue light, creating a dreamlike atmosphere.

Living by the Sea

Living by the Sea

A State of Being

Perched above the timeless shores of Batroun, Skyhill is a refined interpretation of **coastal luxury**. Inspired by the purity of **Mediterranean living and the elegance of Myconian aesthetics**, this exclusive development redefines the relationship between architecture, nature, and human experience.

A Place of Character

To reside here is to embrace a profound shift in your daily state of being. It is an invitation to slow down, to breathe in sync with the rhythm of the ocean. **Surrounded by visionary architecture and the endless expanse of the sea, everyday stresses naturally dissolve into the coastal breeze.**

This is not just a physical location; it is **a sanctuary** where time seems to expand, allowing you to cultivate inner peace, focus on what truly matters, and experience the pure, unadulterated joy of simply existing in a space of flawless harmony.

Mins From Everything You Like

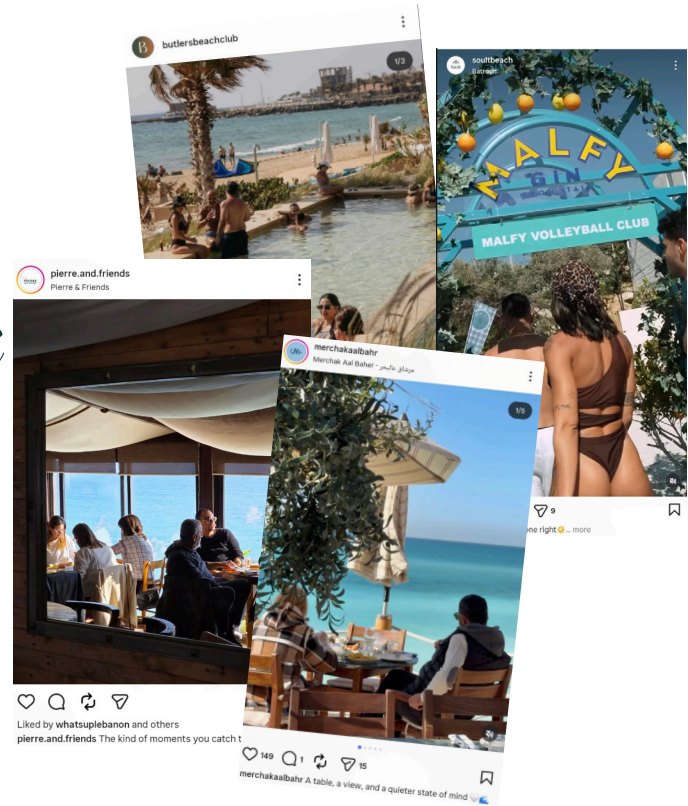

* 5 mins drive to **Butlers Beach Club and Soult Beach**

* 5-6 mins drive to **Batroun Restaurants**

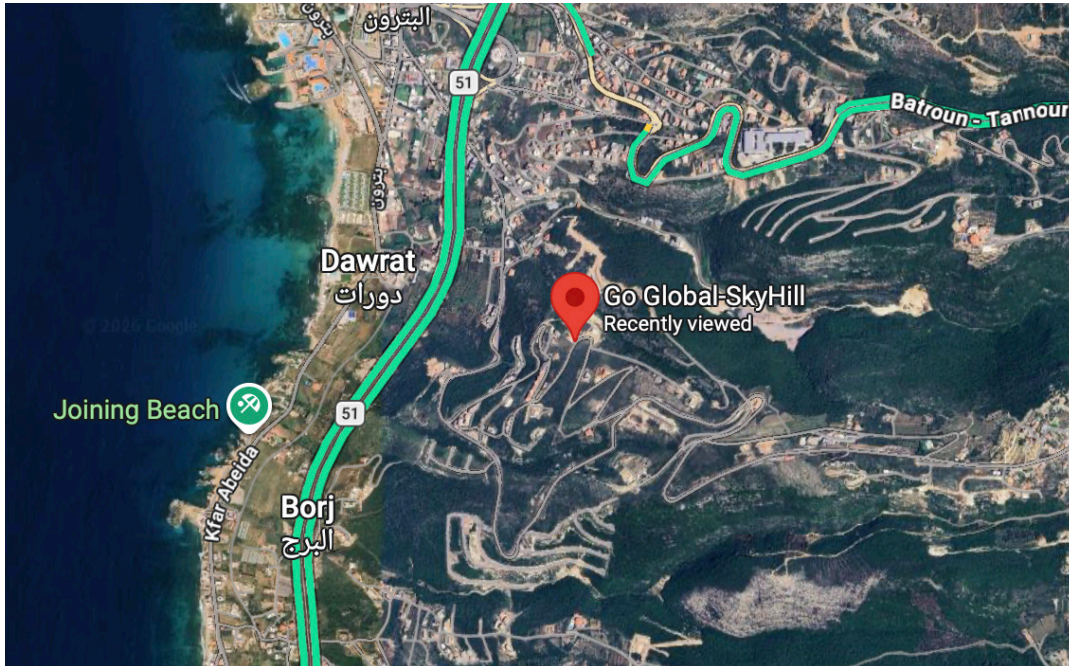

* 5 mins drive to **Batroun Old Souk**

* 5-6 mins drive to **Bars**

* 5-6 mins to **Nightclubs**

The Life You Deserve

A Life Worth Living

Experience the magic of coastal living at its absolute finest. Perched perfectly on the hillside to capture uninterrupted, panoramic sea views, these villas offer a front-row seat to spectacular sunrises and glistening azure waters. The gentle sea breeze and the soothing, distant sound of the waves create a backdrop of pure serenity.

This is more than just a home; it is a gateway to a lifestyle where the ocean is your closest neighbor, offering a profound sense of peace, freedom, and an endless, harmonious connection to the natural world just beyond your balcony.
